# District Improvement Plan APPENDIX - TEMPLATE

This template is divided into four sections:

- 1. Acronyms Used
- 2. Appendix for DIP, Part I (with statutory references)
- 3. Appendix for DIP Part II Title I Plan (with statutory references)
- 4. Plans Needed (to support the appendix)

The columns labeled "Location of Policy or Document" and "Position Responsible" are suggested and should be customized to meet the practices and staffing patterns of the district.

# How to Use the APPENDIX - TEMPLATE

This template should be customized for your LEA.

- 1. The Appendix is to be used as a Crosswalk to policies and other documents containing the legally required information.
- 2. The DIP can then be shorter and more focused.

This is not a Checklist of Requirements for the DIP. (That will be in another document.)
